MAC N CHEESE

Fort Mulligan's Grill Pub is located in the Historic Famechon Building. Built in 1855 with recycled limestone from the decommissioned Fort Crawford. Julius Famechon and Augustus Galliard ran a general store in the building for many years, often referred to as the "French Store," with the end of Prohibition in the 1930's. Slab Mattie opened Slabs Circle Bar in the west side of the building, which continued to operate as the Circle Bar until the late 1990's. In 1999 remodeling commenced, exposing some of the 23" thick limestone-walls, brick firewall, original ceilings (copper on the west, tin in the east room), iron shutter on back west window by the bar, beams in the front from an Icehouse in Dubuque, as well as the addition of all the arched windows and exterior deck. Fort Mulligan's Grill Pub opened at the completion in early 2000.
